

Neurological Disability Support

Vista Community Support has extensive experience working with people with a neurological disability.

We support people who have a neurological disability, such as an Acquired Brain Injury (ABI), as a result of an:

- Accident
- Tumour
- Alcohol or substance misuse
- Stroke or heart attack
- A neurological disorder

OUR STAFF

Our team of dedicated staff assist people to work towards their goals and increase their quality of life.

Our staff can also be trained to meet individuals' specific needs.

Donna is supported by Vista to get out and about in the community.

HOW CAN WE HELP?

We can provide support for:

- Recreational and community access
- Daily living activities
- Personal care
- Assisting in getting back to work
- Rehabilitation / exercise programs

We also operate an after hours phone support service that case managers, staff, people we support and their families can access when needed for emergency staffing issues and incident support.

NEUROBEHAVIOURAL REHABILITATION

Rehabilitation and services for people with an ABI are also available through ReNew Neurobehavioural Services. Based on an innovative model of support and rehabilitation, ReNew offers a continuum of specialist services. For specific information on ReNew please contact 03 9564 1000 or info@renewservices.org.au.
